Overview

Michael's litigation experience includes both trials and oral arguments before the Court of Appeals for the Federal Circuit. He is also admitted before the United States Supreme Court. In addition, Michael has substantial experience managing, administering and conducting worldwide projects involving updating ownership records of large intellectual property portfolios. Michael's breadth of experience has enabled him to apply a comprehensive, cross-disciplinary approach to maximize the scope of intellectual property protection and beneficial usage.

Prior to practicing law, Michael was an engineer for a major automotive OEM and a systems engineer for the Computer Aided Engineering Network for the College of Engineering at the University of Michigan.

Michael is a frequent author and speaker on intellectual property protection and enforcement. He has spoken at the International Trademark Association (INTA), American Intellectual Property Law Association (AIPLA) and Michigan Bar Association annual meetings, as a speaker on behalf of the United States Patent and Trademark Office, the National Science Foundation, and third-party organizations such as ARVO. He has also lectured to engineering, business and law students at schools such as the University of Michigan and Notre Dame University. He has further served as an instructor for Lorman Education Services and for the Institute for Continuing Legal Education, and conducted webinars for such organizations as the AIPLA. Michael has been recognized by the [State Bar of Michigan's "A Lawyer Helps"](#) program for giving back to the community.
